

**ASHUGANJ POWER STATION COMPANY LIMITED**

(An enterprise of Bangladesh Power Development Board)

**Ashuganj, Brahmanbaria-3402, Bangladesh**

Memo No. APSCL/MD/Project-450 MW (North)/2011/2121

Date : 30/11/2011

**Request for Expressions of Interest (EOI) For Project Implementation Consultancy Services of Ashuganj 450 MW Combined Cycle Power Plant (North)**

1. The Asian Development Bank (ADB) and Islamic Development Bank (IDB) have approved financing the Government of Bangladesh (Beneficiary) towards the cost of the Power System Efficiency Improvement Project. Under component A of the project, the Ashuganj Power Station Company Ltd. intends to procure the 450 MW Combined Cycle Power Plant, where the EPC contractor to be responsible for the design, supply, delivery, erection, testing and commissioning of the plants. The role of the consultant in this process will be to assist APSCL in assuring that all steps are undertaken properly, so that the completed plant will deliver the performance, reliability, and operational flexibility specified. APSCL intends to apply a portion of the funds to eligible payments under the contract for which this Invitation for Expressions of Interest is issued.

On the above context APSCL intends to prepare a short-list of service provider from member countries of Asian Development Bank.

2. The consulting firm will be selected in accordance with Quality and Cost Based Selection (QCBS) procedure following ADB's Guidelines on the Use of Consultants.
3. The consulting firm(s) shall have adequate experience in implementation of Combined Cycle gas fired power plants. The services to be provided by the consulting firm(s) are estimated at 26 person-months of International and 60 person-months of National consultants. Download the detailed Terms of Reference from APSCL's website: [www.apscl.com](http://www.apscl.com).
4. The consulting firm(s) should have demonstrated experience in design, engineering, bid evaluation, approval of design, drawing, supervision of construction, installation, testing & commissioning of 300 MW or higher capacity Combined Cycle Gas Turbine Power Plant (CCGT) units and the EOI should be submitted in 5 (five) copies including the following particulars,
  - a. Name of the firm/lead firm and associated firms (with country name), if any, forming the joint ventures or associations, with address and particulars.
  - b. General and overall experience of the firm/lead firm
  - c. Specific experience of Combined Cycle Power Plant
  - d. When expressing interest, a joint venture must nominate one firm as the lead partner, and this firm interacts directly with the recruiting party as joint venture's sole formal representative. Acceptable evidence of formation of the joint ventures/associations should be submitted.
  - e. Names of the partners / directors of the firm(s) and their corporate profiles.
  - f. Actual audited turn-over of the participating firms for the last 3 (three) years.
  - g. Availability of proposed categories personnel with appropriate skills
  - h. Tables showing organizational strength including manpower, equipment, etc.
  - i. List of similar works at hand and the works carried out during the last 15 years
  - j. The Consultant shall have to fill up the Attachment -1 mandatorily (Which includes format, relating to project Experience, etc) enclosed herewith.
5. The application must be directly responsive to the requirements mentioned in above and information as sought in attachment -1 should be sufficient and in details to be verifiable.
6. The interested entities should collect relevant documents (Attachment-1 & TOR) from APSCL's website: [www.apscl.com](http://www.apscl.com) or by an application to the Project Director, Ashuganj 450 MW Combined Cycle Power Plant (North), APSCL.
7. Expression of Interest (EOI) shall be submitted in sealed envelope to the Project Director, Ashuganj 450 MW Combined Cycle Power Plant (North), Ashuganj Power Station Company Ltd., Ashuganj, Brahmanbaria, Bangladesh by 12:30 PM, on **04 January, 2012** and be clearly marked with "Confidential Expression of Interest for Implementation Consultancy Services of Ashuganj 450 MW Combined Cycle Power Plant (North)".
8. **Special instructions:**
  - a. The authority reserves the right to accept any or all of the EOI at any stage without assigning any reason whatsoever and without incurring any liability to the affected applicant(s).
  - b. The employer or ADB will not be responsible for any cost of expenses incurred by the firms in connection with the preparation or delivery of the EOI.
